

# “Burglar- Proof” Fence

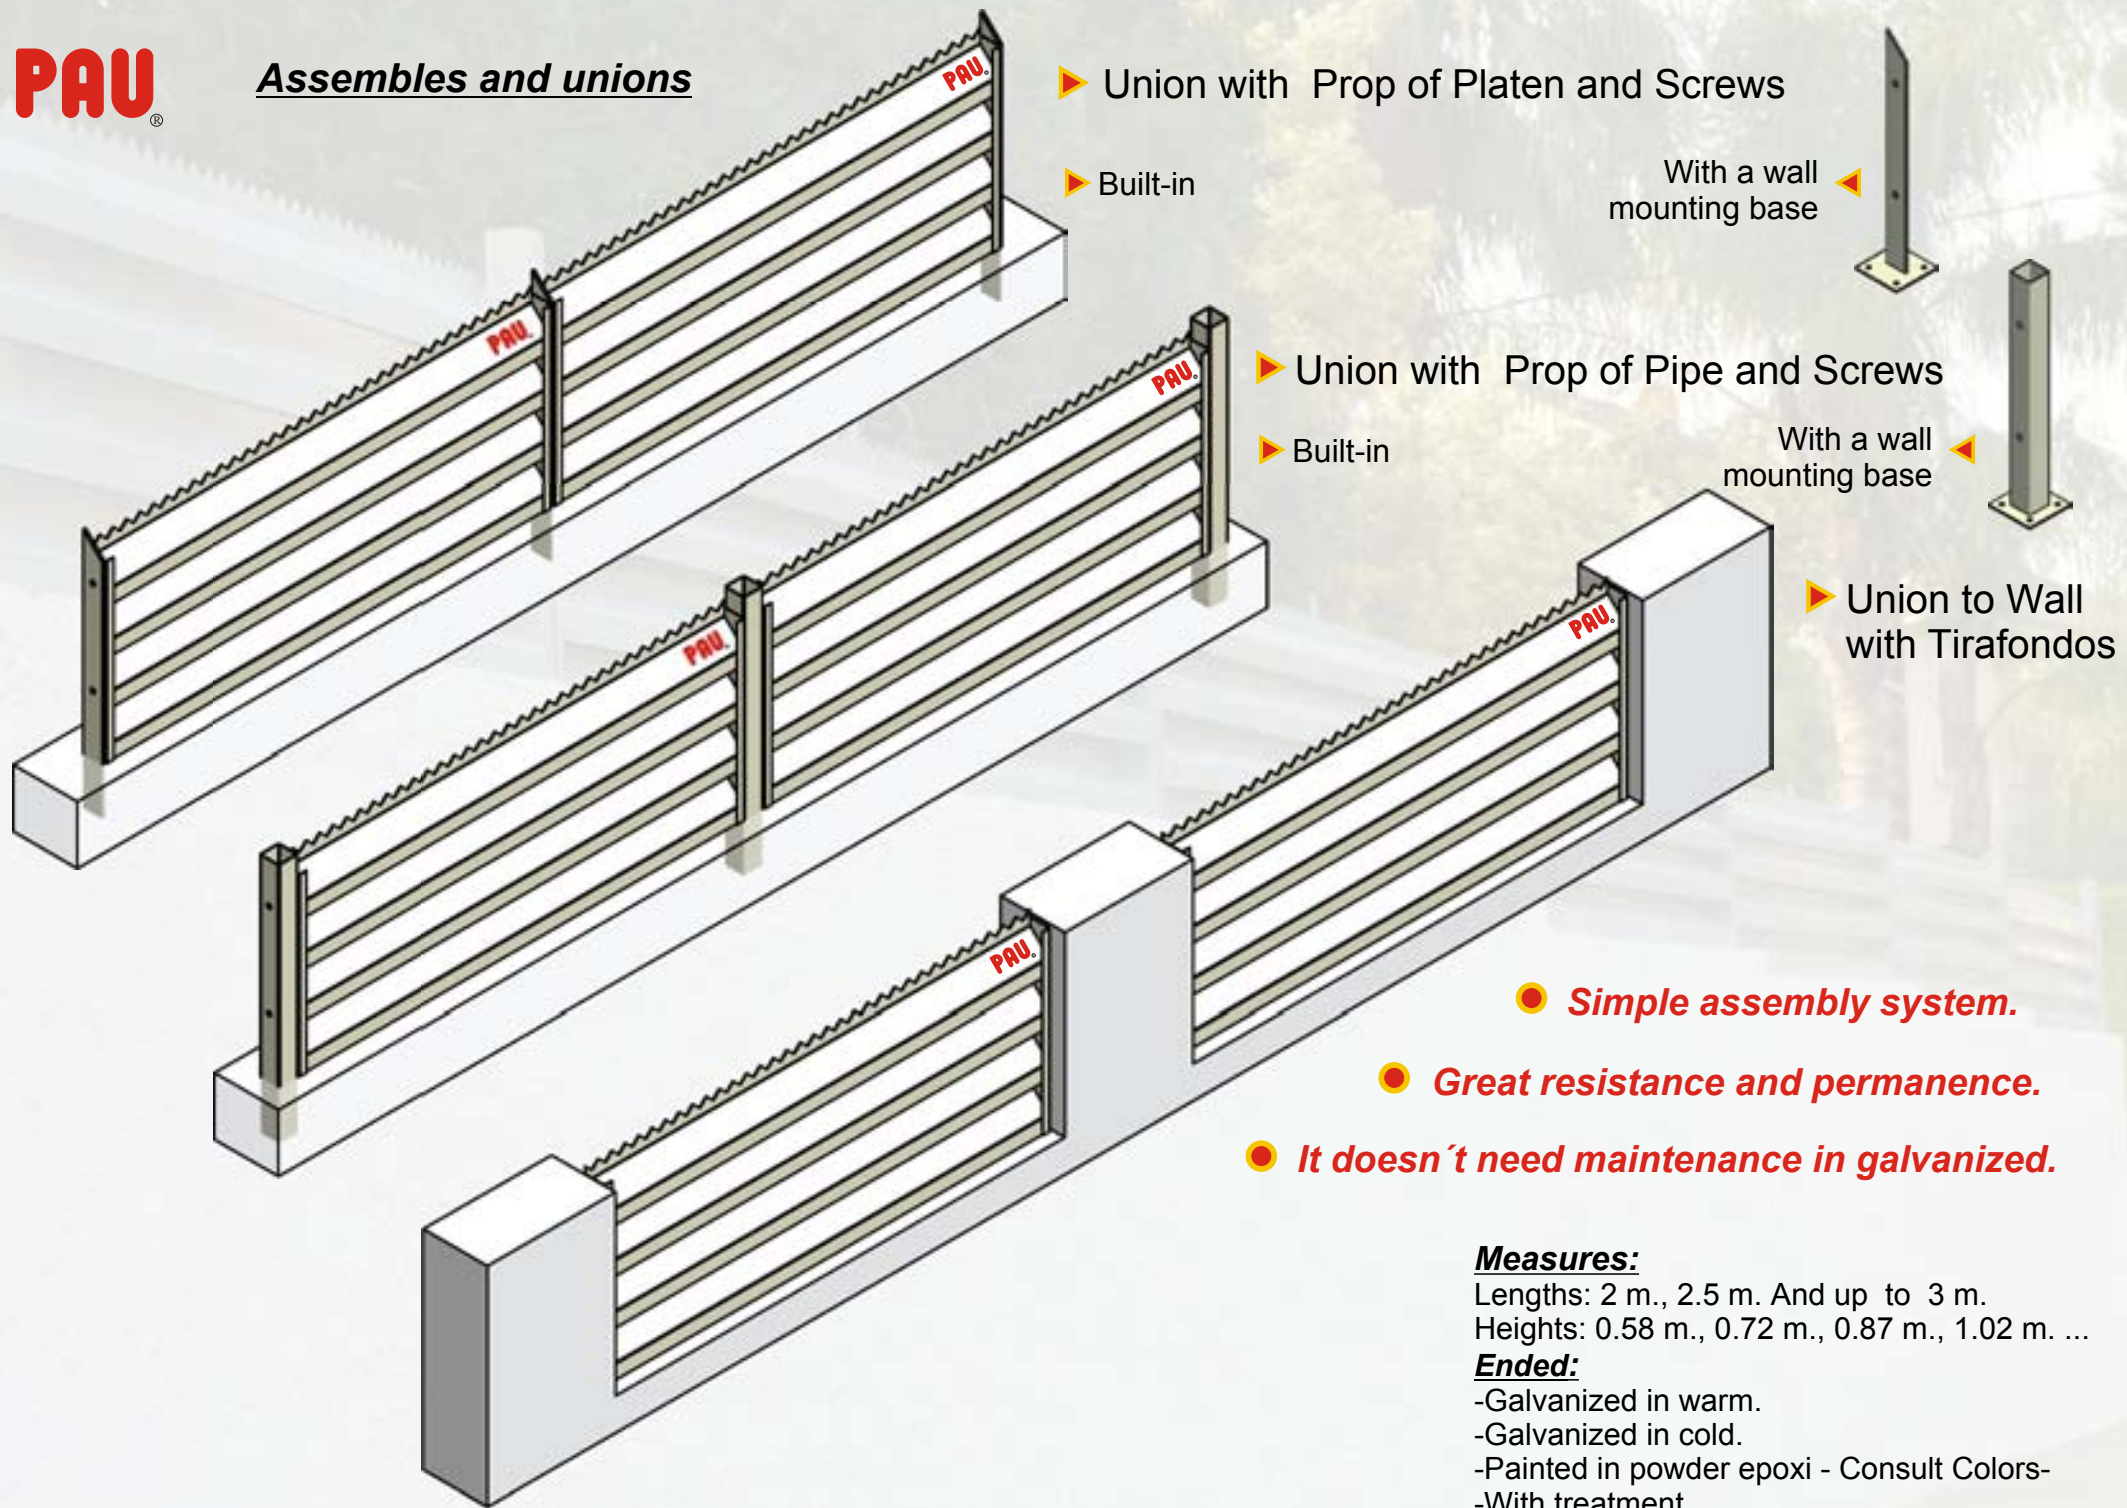

**PAU**<sup>®</sup>

¡Here better  
I do not enter!

***Feel sure  
in your property.***

The fence **“BURGLAR- PROOF”** PAU uses for closings of chalets and houses, separations of industrial ships, sports facilities, fence of dividing, and all kinds of facilities that want to be protected.

For the form and ended in his top part, the fence offers a major safety and protection, giving a robust and elegant result. The pieces that take a treatment of galvanized in warmly, it guarantees an extensive permanence and anticorrosive protection, simultaneously that eliminates completely the tasks of maintenance of the fence.

We adapt to the measures attending to the needs of the client.

***This one is the solution  
for your safety***
